TESTIMONIES

“Definitely recommend”

"My daughter has been having one to one sessions with the Fuzion Active Cricket Academy now for several months and the improvement in her ability is amazing! She loves every second she spends there, and has built a very strong relationship with all of the coaches. She has not been playing cricket for very long, and her confidence was always a slight issue; not anymore! I would definitely recommend the Fuzion Active Cricket Academy!"

“Strong relationship”

One of the most noticeable things is the strong relationship that our son has with the coaches at Fuzion Active! They have fun, they laugh, but they also deliver the cricket coaching in an amazing way! All areas of our son's cricket has improved; his bowling has become quicker, more accurate and this has also made a difference in his performances this summer!

Zane's mum

“Improved so much”

Fuzion Active are the team to go to!! Our son has improved so much, with both bat and ball! This has allowed him to enjoy his cricket even more as he is seeing the improvements in his performances. His enjoyment has also made us so happy, he smiles all of the time! Thank you to all of the coaches at Fuzion Active!
